The Rochester Lesbian & Gay Film & Video Festival

Closing Night Gala

26 OCTOBER 1996

Stonewall

Directed by Nigel Finch

Produced by Christine Vachon

Light One Candle

Light one candle for all of our loved ones
and thanks that their light didn't die
Light one candle for the pain they endured
when their right to exist was denied
Light one candle for the terrible sacrifice
justice and freedom demand
Light one candle for the wisdom to know
when the peacemakers' time is at hand

Don't let the light go out
It's lasted for so many years, Oh
Don't let the light go out
Let it shine through our love and our tears
Our tears, our tears, our tears

Light one candle for the strength that we need
to never become our own foe
Light one candle for those who are suffering,
that we learned so long ago, Oh
Light one candle for all we believe in,
that anger not tear us apart
Light one candle to bind us together,
with peace there's a song in our heart

Don't let the light go out
We've suffered for so many years, Oh
Don't let the light go out
Let it shine through our love and our tears , Oh
Don't let the light go out
The light go out, go out
Don't let the light go out,
let it shine through our love and our tears
Love and tears, love and tears, love and tears

What is the memory that's valued so highly
that you keep alive in that place?
What's the commitment to those who have died
We cry out that they've died in vain
We have come this far always believing
that justice will somehow prevail

This is the burden and this is the promise,
This is why we will not fail

Don't let the light go out
It's lasted for so many years
Don't let the light go out
Let it shine through our love and our tears
Don't let the light go out
It's lasted for so many years
Don't let the light go out
Let it shine through our love and our tears
Our love and tears
Our love and tears, our tears
Don't let the light go out!
